The ORRS encourages all of its referee members to volunteer for events hosted by their affiliated clubs at least once per year to assist in deferring costs.

*** For each tournament, a referee manager will be appointed. He/she will be the contact official for the tournament chairperson. The referee manager's duties will include, handling all match assignments for the tournament, being the contact referee for the tournament chairperson, and answering any law questions asked by the tournament chairperson.

Clubs are encouraged to provide the referees with a tournament Jersey, shirt or kit.

Clubs are expected to provide access to hydration for the referees for the duration of the tournament.

Organizations running tournaments or other such events will be charged the above rates, yet depending on the tournaments needs, each tournament may have different fees to cover travel & lodgings for the referee crew.

NOTE: *When available, AR's are highly recommended. They help assist the referee to bring about a higher quality game than having players from each team running touch. Teams/coaches prefer to play and watch their teammates, not run touch.*
